Coffeetable**

BRUNE® presents LOU, a lounge chair with a very special appeal. The inviting upholstery on a chrome-plated or black matt powder-coated base with revolving column gives LOU a pleasing effect that's comfortable, but not bulky. Modern, sporty and sleek design with generously sized cushions promises a pleasurable sitting experience. Wings, seat and neck cushions available in contrasting colours, giving the chair's owner the chance to give an individual touch to LOU.

Frame

Column shaft Ø 55 mm, turnable, attached with screws to base. Spokes of the base made from tapering flat steel bars, approx. 40 mm high, 12 mm thick. Column pipe with welded cross-beam fitting for the screw connection of the seat shell.

Frame with adjustment mechanism

Column shaft Ø 55 mm, turnable, attached with screws to base. Spokes of the base made from tapering flat steel bars, approx. 40 mm high, 12 mm thick. Rotary column with a plug-in cone to adjust the seat angle, strength: approx. 25 mm, featuring an interior ball bearing. Allows the easy and noise-free rotation of the upper section. Adjustment mechanism with a chrome-plated lever (strength: 12 mm) that runs parallel to the seat shell. Continuously variable in a range between 0 and 15 degrees.

Frame surfaces

Chrome-plated or black matt powder-coated.

Seat shell

Upholstery support featuring a steel frame and support plate, coated and covered with polyurethane cold foam and cotton wool.

Seat shell with wings

Upholstery support featuring a steel frame and support plate, coated and covered with polyurethane cold foam and cotton wool, with additional attached and fixed wing part, also made of polyurethane cold foam with steel frame.

Upholstery of the lounge chair

Seat cushion made from polyurethane cold foam.

Upholstery of the footstool

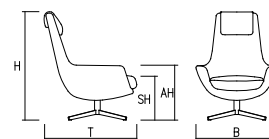

Cushion made from polyurethane cold foam
