## B~FIVE

Aesthetic looking yet practical defines Benithem's latest office seating collection, B-FIVE stackable chair. Its seat moulded in a well-proportioned dimension with just the right amount of softness. This is hand upholstered in-house by our skillful craftsmen. Made of highly flexible and elastic Polyamide, the backrest is sure to give the user's back the freedom of movement as well as adopting a natural seating posture. The Polypropylene armrests extends from the backrest which streams forward along a curve, fitting flush with the steel frame, producing a elegant yet sturdy seating solution.

## STACKABLE B-FIVE

comes not only with various colours but also with various choices of frame materials, upholstery and colours to suit the diverse theme of a working space.

Hold meeting, conferences  
and your audiences' attention

Perfect for meetings and conferences held frequently  
at convention halls or small meeting areas.

B~FIVE

The innovative flexible seat shell fixing ensures greater momentum at the conference table. The B-FIVE in incorporated into the plastic material offers natural, highly effective protection against unwanted bacterial growth and thus ensure a greater feeling of well-being because everything revolves around people.
