HUGO II

A modern adaptation of a traditional concept chair HUGO II impresses with its unique sleek looks combined with enhanced ergonomics. Devoted to the relentless pursuit of perfection, HUGO II is a luxury chair that complies with BIFMA standards and FIRA standards that ensure all technical requirements are fulfilled. An inspiration and a sight to behold, HUGO II delivers meticulous style and a promise of satisfaction.

1. FINE STITCHES Premium quality leather upholstery and fine stitching workmanship define the high standards. Wider contoured backrest of injection molded foam provides superior cushioned support and durability. **2. ADJUSTABLE ARMREST** Adjustable armrest in 7 lockable positions with soft Polyurethane arm pad are ideal for working with computers and reduce muscle fatigue during long working hours. **3. FIX ARMREST** Solid aluminium framed armrest with leather wrapped arm pad adds a touch of sophistication. **4. POLYURETHANE MOULDED FOAM** High density polyurethane moulded foam comes with fire retardant feature, gives the seat flexibility to comfort user, provides great support and best comfort even for long seating hours. **5. MULTI LOCKING MECHANISM** Point synchronized technology using synchron multi locking mechanism makes it possible to achieve perfect balanced in every seated position. The synchronized adjustment of the backrest and seat in ratio of 2:1 ensures complete comfort. Tilt resistance enables user to recline without leaving their vision or reach zone. **6. SLEEK ALUMINIUM CHAIRBASE** 5 pronged die-cast aluminium polished base provides an alternative finishing to user. **7. NYLON CASTORS** 60mm dual-wheel castors are designed for easy maneuvering.
