4095

4095

The tables from the 4095 series are characterized by a stark and austere design with a vocabulary that has been stripped down to the bare essentials. The angle of the feet – which is slightly extending outwards – and the elimination of all additional ribs, straps and horizontal support elements from the construction ensure a maximum of legroom and freedom of movement.

Areas of use

HEALTHCARE SERVICES | MEETINGS | SEMINARS | RESTAURANTS + FINE DINING | CAFETERIAS | FOYERS + WAITING AREAS | MULTIFUNCTIONAL USE | LIVING
